Mission

• to promote the continuity of Finnish family firms
Values

- **Trust:** The members of the FFFA may share their family business experiences confidentially and with great trust. Trust is the precondition for the open exchange of experiences.
- **Openness:** By openness we mean active and open interaction between the members as well as the FFFA’s relations to its operational environment.
- **Family-centralism:** The FFFA emphasises values and the feeling of solidarity. The business community is consisted of the owners, family members, relatives, executives, personnel, business partners and friends.
- **Continuance:** The FFFA aims by its proactive approach to reach long-term goals and continuance as do its member firms also. Continuance creates trust also amongst the stakeholders of the FFFA.
Activities
